My Shoes

Ida Maria

Tomorrow's here a new day rushing by
As I try hard to hold onto the light
When I feel fine the day is over
The saddest thing of it all I don't know why
I wanna stay where I am
But then I leave
I really try to get along
And as I walk I think about every little thing
That happens to me
Don't I know
That life's a pack of lies
Feels like I am wasting time
It makes me cry
So you think you'd like to be in my shoes
Would you like to
Try and walk a day in mine
So you think you'd like to be in my shoes
Would you still like to
Try and walk a day in mine
I love myself
Yeah I'm a star I got it all
I am right even when I know I'm wrong
It's another crazy day
And why won't I shut my mouth for a while

And pretend that I haven't lost my mind
It's enough to make you cry
I'm everything you wanna be
As I walk I think about every little thing
That happens to me
Don't I know that life's a pack of lies
Feels like I am wasting time
It makes me cry
So you think you'd like to be in my shoes
Would you like to
Try and walk a day in mine
So you think you'd like to be in my shoes
Would you still like to
Try and walk a day in mine

I set things up to tear them down
Scream until it blocks the sound
It's how I clear my mind eventually
It's my way or no way at all
I'm not afraid to lose control
Am I someone you would like to be
So you think you'd like to be in my shoes
Would you like to
Try and walk a day in mine
So you think you'd like to be in my shoes
Would you still like to try and walk a day in mine
