

You're So Beautiful

Def Leppard

You say all I do is think about you
That's right, you're the only thing that's on my mind
Your light, won't you let it shine on me, yeah
All night, hold me tight and don't let go
'Cause I can't help myself, why'know(It's OK) I know what I got
(Alright) I know that it's hot
(All good) And you're what I want
(Alright) 'cause you're so beautiful
(It's OK) One thing on my mind
(Alright) I'm so in love
(All good) And so alive
(Alright) 'Cause you're so beautiful Yeah, an angel from the sky
The sparkle in my eye
I can't believe you're mine
Na na na na na Sometimes you slip 'n' slide through my emotions
So high, take me up and spin me 'round
'Cause I don't want to come back down(It's OK) I know what I got
(Alright) I know that it's hot
(All good) And you're what I want
(Alright) 'Cause you're so beautiful
(It's OK) One thing on my mind
(Alright) I'm so in love
(All good) And so alive
(Alright) 'Cause you're so beautiful Yeah, an angel from the sky
The sparkle in my eye
I can't believe you're mine
Na na na na na(It's OK) You're so beautiful
(It's alright) I can't believe you're mine
An angel from the sky
The sparkle in my eye
Gets better every time
Na na na na na(It's OK) I know what I got
(Alright) I know that it's hot
(All good) And you're what I want
(Alright) 'Cause you're so beautiful
(It's OK) One thing on my mind
(Alright) I'm so in love
(All good) And so alive
(Alright) 'Cause you're so beautiful(It's OK) You're under my skin

(Alright) My head's in a spin
(All good) Again and again
(Alright) 'Cause you're so beautiful
(It's OK) I look in your eyes
(Alright) I'm so in love
(All good) And so alive
(Alright) 'Cause you're so beautiful (It's OK)
(It's alright)
(It's all good)
(It's alright) 'Cause you're so beautiful
(It's OK)
(It's alright)
(It's all good)
(It's alright)
'cause you're so beautiful
