

Chicken Lickin' Boogie

[Michelle Malone](#)

If I were a chicken I'd jump right up and crow
Cause you're so finger lickin', I want everyone to know
Keep doin' what cha doin', Just keep on a doin' what cha doin'
Keep on a doin' what cha doin' and you won't have to do it alone
You can be my lover, baby, as long as you
respect me
Treat me like an equal, don't mistreat me or neglect me and
Keep doin' what cha doin', Keep on a doin' what cha doin'
Keep on a doin' what cha doin' and you won't have to do it alone
Don't think I'm gonna let you treat me
Like the way you treated your ex
Leave your baggage at the station
I'm not about to clean up no more train wrecks
I can play a bank robber and you can play a cop
frisk and arrest me, flat foot, I'm ready to rock
Keep doin' what cha doin', Keep on a doin' what cha doin'
Keep on a doin' what cha doin' and you won't have to do it alone
