I Suck

Mark Ronson

All alone here on a Friday
After all the things that I did my way
I will come back,
Home to my show
Can I ever break out of this cold cell
Cause I'm bored
And I Suck
I Suck
What the fuck?
I suck
Cause I'm bored
And I Suck
I Suck
What the fuck?
I suck
Just tonight I saw her beauty

Just enough to send some shivers through me
But she walked off with some lame guy
Why can't I have someone here to say hi?
Cause I'm bored
And I Suck
I Suck
What the fuck?
I suck
Cause I'm bored
And I Suck
I Suck
What the fuck?
I suck
I'm dog
I'm dog
I'm dog
I'm dog
