

# Corner of the Heart

Collin Raye

Way down at the bottom  
Both sides come together  
And form a V  
And that's what mama calls  
The corner of the heart  
She says a lot of couples  
Never turn that corner  
They don't love that deep  
They care a little while  
Then they drift apart  
Well now, baby,  
If you wonder why  
I'm telling you all of this  
It's because something is changing  
I can feel it when we kiss  
And if the moon keeps rising  
You better hold on I am  
Turning the corner of the heart Back in the Albuquerque  
Near the river  
There was a cottonwood  
One summer hooked up with  
A climbing rose  
And by the time it snowed  
They were so tangled  
Nothing on earth could get  
That handsome couple to let go  
Well now, baby,  
This world spins too quick  
For the eye to see  
The slow changing  
Of a stranger into family  
But if the moon keeps rising  
But if the moon keeps rising  
Turning the corner of the heart  
(Turning the corner of the heart)
