

Garden in the Rain

[Diana Krall](#)

T'was just a garden in the rain
Close to a little leafy lane
A touch of color 'neath skies of gray
The raindrops kissed the flowerbeds
The blossoms raised their leafy heads
A perfumed thank you
They seemed to say Surely here was charm beyond
Compare to view
Maybe it was just that
I was there with you T'was just a garden in the rain
But then the sun came out again
And sent us happily on our way
