

# Here Today And Gone Tomorrow

**Janis Martin**

I don't want a here today and gone tomorrow love  
Baby that is not the kind of love I'm thinkin' of  
I don't want a hot and cold, on and off and up and down  
And here today and gone tomorrow love  
Baby I'm the kinda gal who looks before she leaps  
Baby if I'm gonna play, I'm gonna play for keeps  
I don't want a hot and cold, on and off and up and down  
And here today and gone tomorrow love  
Make up your mind, stop sittin' on the fence  
Make up your mind, stop or commence  
Got a fountainpen that has a lifetime guarantee  
Baby that's the way it's gotta be with you and me  
I don't want a hot and cold, on and off and up and down  
And here today and gone tomorrow love
