Killer

Sharon Doorson

Pull my halo up
Put my angel wings
Instead of living a lie you left
My love is gonna kill meDoesnt matter first or second we agreed
Gonna testify and copy our plea
Theres a high you cant win
Im obtaining innocent
Innocent innocent innocentI was sloppy that i kept it
Ready aim and fire away
Every inch of me is a weapon
Im im a killer im im a killer
Better fall but its too heavy
Has involved a change of way
Im the monster you created
Im im a killer im im a killerIn my highest heels
In my shortest skirt
Without true thinking just taking off
I was told just to kill you yeacause ill never know ill be ready to work
Momentarily i tracked it to earth
I will see the way you day
Im gonna have my alibi
Alibi alibi alibiI was sloppy that i kept it
Ready aim and fire away
Every inch of me is a weapon
Im im a killer im im a killer
Better fall but its too heavy
Has involved a change of way
Im the monster you created
Im im a killer im im a killerRemember who i was
I never do it once
You better be heartbreak or broken promise
I cannot remember you
Or how im going through
Baby think of better days think of betterNa na na
Na na na
Na na naI was sloppy that i kept it
Ready aim and fire away
Every inch of me is a weapon
Im im a killer im im a killerBetter fall but its too heavy

Has involved a change of way
Im the monster you created
Im im a killer im im a killerI was sloppy that i kept it
Ready aim and fire away
Every inch of me is a weapon
Im im a killer im im a killerNa na na
