

# Where Are You Now ( My Love )

Jackie Trent

La-la-la-la-la-la-la-la-la-la-la

When shadows of evening gently fall  
A memory of you I soon recall  
We walked in the rain  
You kissed me, whispered my name

Where are you now, my love?  
Where are you now, my love?

Life was fine, full of the wonder of the spring  
You taught me that love meant everything  
I gave you my heart, not dreaming we'd ever part

Where are you now, my love?  
Where are you now, my love?

While I'm sitting here, I'm wondering what went wrong  
You'll find your empty arms will tell you  
You belong to me, you'll come to me

And see how I've been waiting everyday  
Just hoping that you'll come back to stay  
But I don't know when I'll ever see you again

Where are you now my love?  
Where are you now my love?

La-la-la-la-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la-la-la  
La-la-la-la-la-la-la
