

No Matter What (Rerecorded)

Badfinger

No matter what you are
I will always be with you
Doesn't matter what you do girl, oh girl with you
No matter what you do
I will always be around Won't you tell me what you found girl, oh girl won't you
Knock down the old brick wall, and be a part of it all
Nothing to say, nothing to see, nothing to do
If you would give me all, as I would give it to you
Nothing would be, nothing would be, nothing would be No matter where you go
There will always be a place
Can't you see in my face girl, oh girl don't you
Knock down the old brick wall, and be a part of it all
Nothing to say, nothing to see, nothing to do
If you would give me all, as I would give it to you
Nothing would be, nothing would be, nothing would be No matter what you are
I will always be with you
Doesn't matter what you do girl, oh girl want you
Oh girl, you girl, want you
Oh girl, you girl, want you
