

Head In the Sky

[Anna Rossinelli](#)

I got my head in the sky and my feet on the floor
I got a pocket full of dreams, no I don't need nothing more
I got my head in the sky and my feet on the floor
No I don't need nothing moreI don't need no diamond rings
Or a man who buys me things
I don't need no bling bling bling at allI don't drive a Chevrolet
Or a boat in St. Tropez
No I don't need such a thing
I got my head in the sky and my feet on the floor
I got a pocket full of dreams, no I don't need nothing more
I got my head in the sky and my feet on the floor
No I don't need nothing moreI don't need a fancy car
Cause on my bike im fine so far
Im already on my ride of lifeI don't need a privat jet
Or a date with Johnnny Depp
No I don't need such a thing
I got my head in the sky and my feet on the floor
I got a pocket full of dreams, no I don't need nothing more
I got my head in the sky and my feet on the floor
No I don't need nothing moreEyes on the stars, feet on the ground
Eyes on the stars, feet on the ground
