

Come Live With Me Angel

Marvin Gaye

Come live with me angel
Come live with me in comfort I wanna be your lover
I want to understand your mood baby
I wanna be your lover
I really really
wanna be your lover
When you want some solitude, sugar
I wanna be your lover
You can have it
Ooh yeah baby
I wanna be your lover Darling please walk around me (at least) three times a day
So I can get cha baby
I want to get true at least three times a day
In all the ways baby - whoo
You can have your way if you decide to stay so Come live with me angel woood
Come live with me in comfort
Come chill with me angel
Come live with me in comfort ooh ooh this is where all your fantasies end
Let me explore all your treasures
I'll turn you on to all of those freakish pleasures
Good experienced company
Like me who knows all the ways
Is what you need baby
Just you and me locked up for days
After we eat breakfast in bed
Turn on the music for our head Come live with me angel
Papas the sweet angel
Come live with me in comfort whoo ooo Come live with me angel
Come live with me in comfort
Come live with me my beautiful angel
Come live with me in comfort
Come live with me darling angel
Come live with me in comfort (Repeat baby sock it to me 22X) Woo ooo
Woo ooo ooo
Woo woo woo woo
Woo woo woo woo woo ooo
Woo ooo ooo ooo ooo ooo ooo ooo
Woo ooo woo ooo
Woo wooodoooooo Come on angel

Come on and go with me ah woo
Please come on go with me I said please woo
Sweet little baby
It's no mystery on how much I want you I want you baby

Sweet little sexy thing
