# Uncried

## Patrice

I love you, why can?t love be enough?
You must hate me for what I?ve done to our love
What have I done to our love?
What have I done?Even though I smile so
My tears drop inside in a black hole
Not even fears fill this void
How long does a tear takeFrom my eye to the ground
If not our lifetime
Gotta turn myself upside down
And make it uncried (make it undone)
I gotta make it uncried (make it undone)Where are we heading? your left is my right
We're in a dead end, hopin? that I see the light
I broke the purest heart like a virgin skin
So innocent and free from sinGotta turn myself in (make it undone)
I gotta turn myself in (make it undone)I gotta turn myself in yeah
And there ain't got no place to run
I gotta turn myself in yeah
And there ain't got nowhere to run to?
