

Cool Change (Re-Recorded / Remastered)

Little River Band

If there's one thing in my life that's missing
It's the time that I spend alone
Sailing on the cool and bright clear water
It's kind of a special feelingWhen you're out on the sea alone
Staring at the full moon, like a lover
Time for a cool change
I know that it's time for a cool changeNow that my life is so prearranged
I know that it's time for a cool change
Well I was born in the sign of water
And it's there that I feel my bestThe albatross and the whales they are my brothers
There's lots of those friendly people
And they're showing me ways to go
And I never want to lose their inspirationTime for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool changeI've never been romantic
And sometimes I don't care
I know it may sound selfish
But let me breathe the airLet me breathe the air...
Well I was born in the sign of water
And it's there that I feel my best
The albatross and the whales they are my brothersIt's kind of a special feeling
When you're out on the sea alone
Staring at the full moon, like a lover
Time for a cool changeI know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool change
