Bohemian Rhapsody

Pentatonix

Is this the real life?
Is this just fantasy?
Caught in a landslide,
No escape from realityOpen your eyes,
Look up to the skies and see,
I'm just a poor boy, I need no sympathy,
Because I'm easy come, easy go
Little high, little low
Any way the wind blows doesn't really matter to me, to meMama, just killed a man
Put a gun against his head
Pulled my trigger, now he's dead
Mama, life had just begun
But now I've gone and thrown it all awayMama, ooh (any way the wind blows)
Didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on as if nothing really mattersToo late, my time has come
Sends shivers down my spine
Body's aching all the time
Goodbye, everybody, I've got to go
Gotta leave you all behind and face the truthMama, ooh (any way the wind blows)
I don't wanna die,
I sometimes wish I'd never been born at allI see a little silhouetto of a man,
Scaramouche, Scaramouche, will you do the Fandango?
Thunderbolt and lightning
Very, very frightening me
(Galileo) Galileo
(Galileo) Galileo
Galileo Figaro
Magnifico-o-o-o-oI'm just a poor boy, nobody loves me
He's just a poor boy from a poor family
Spare him his life from this monstrosityEasy come, easy go, will you let me go?
Bismillah! No, we will not let you go (let him go!)
Bismillah! We will not let you go (let him go!)
Bismillah! We will not let you go (let him go!)
Will not let you go (let him go!)
Never, never let you go
Never let me go, oh
No, no, no, no, no, no, no
Oh, mama mia, mama mia (mama mia, let me go)

Beelzebub has a devil put aside for me, for me, for meSo you think you can stone me and spit in my eye?
(Yeah!)
So you think you can love me and leave me to die?
Oh, baby, can't do this to me, baby
Just gotta get out, just gotta get right outta here(Ooooh, oh yeah, oh yeah, oh)Nothing really matters
Anyone can see
Nothing really matters
Nothing really matters to meAny way the wind blows
