Elephant Bones

That Handsome Devil

Lord, letâ€™s send down some angels
And they better have guns
Cause everybodyâ€™s crazy down here
On everybodyâ€™s drugs

Casinos, floor glows, stock shows
Where white trash goes to die
Hos push carts
Crackhead squirrels, and birds too drunk to fly

Keep dancing, itâ€™s the end of the world
She said â€œOh baby do the end of the worldâ€•
Câ€™mon baby itâ€™s the end of the world
She says â€œSmile! Do the end of the world!â€•

Keep dancing to the end of the world
She said â€œOh baby itâ€™s the end of the worldâ€•
Câ€™mon baby itâ€™s the end of the world
She says â€œSmile! Itâ€™s the end of the world!â€•

And they send down some astronauts
To study our bones
Through the miles of garbage
Beneath all the junk that we own
Carbon dating beer cans, condoms, and twinky wrappers
We was something beautiful baby
What the hell happened

Keep dancing, itâ€™s the end of the world
She said â€œOh baby do the end of the worldâ€•
Câ€™mon baby itâ€™s the end of the world
She says â€œSmile! Do the end of the world!â€•

If you were worried that theyâ€™d skin you too
For new tennis shoes
Or a couch that fits the motif of the living room
And doesnâ€™t clash with your business suit

I wanna be in a museum,
Stuffed and in a realistic position like Iâ€™m huntin

Callin someone or buyin somethin
Way too busy to look up and see what was comin

Keep dancing, itâ€™s the end of the world
She said â€œOh baby do the end of the worldâ€•
Câ€™mon baby itâ€™s the end of the world
She says â€œSmile! Do the end of the world!â€•

I want my bones kept next to someone of cultural significance
Like Fonzi or William Shatner
Yeah, somebody famous like Gilbert Godfrey or the dog from Frasier
That caveman they found?
He was a punk, I knew him in High School
