Sweet Inspiration

Kim Wilde

Written by s. welton-jaimes, j. & m. jaimesSweet inspiration
Through the nation
With elation for your love
Inspiration, sweet inspiration
Sweet inspiration
Through the nation
With elation for your love
Inspiration, sweet sensationYou really do something special to me
And there's nothing better
Than when you're lying in my arms
So glad we got together
I never needed nobody
Until you came along
And this feeling's so strong
I should be working on something
But I ain't got the time
I've got you on my mind
Sweet inspiration
Baby you're my, sweet inspiration
Baby you're my, sweet inspiration
Baby you're my, sweet inspirationThe thought of you gives me butterflies
And I feel so happy
Whenever you reach out for me
This is how it should be
And I've just got to be with you
Nothing else can compare
Just as long as you're there
And I'll never desert you
Cos you fill me with pride
Baby you changed my life
Sweet inspiration
Baby you're my, sweet inspiration
Baby you're my, sweet inspiration
Baby you're my, sweet inspirationWhen I can't think clearly
Just one kiss is all I need
Then I look in your eyes
And I know, I know, I know, I'm yours
Sweet inspiration
Through the nation

With elation for your love
Inspiration, sweet sensation
Sweet inspirationBaby you're my, sweet inspiration
Baby you're my, sweet inspiration
Baby you're my, sweet inspiration
We got the love
Yeah got the love
We got the love
Yeah got the love
We got the love !!
