I saw the counterfeit soft face and fancy

I wonder wonder where the wind will blow you nowhere come the money maker 1 2 3 4get on the good foot
get on the one you like
don't you know that I don't mind
get yourself free
get on the good foot
get up on the one you like
don't you know that I don't mind
get yourself freetrophy mama kin to all the pressure coming
I betcha money she ain't gonna let you down
gold virginia steaming on my whiskers so so
undercover sniffing a silent stormhere come the money maker 1 2 3 4get on the good foot
get on the one you like
don't you know that I don't mind
get yourself free
get on the good foot
get up on the one you like
don't you know that I don't mind
get yourself freeget on the good foot
get on the one you like
don't you know that I don't mind
get yourself free
get on the good foot
get up on the one you like
don't you know that I don't mind
