

All For You

In This Moment

The seasons come and go
Another night another show
I step into the lights
Knowing we will be alright Even when I'm far
You know I'm always there with you
And through this all [Chorus]
You know that you're the reason
In everything I do
It's all for you
You know that you're my reason in life
It's all for you These faces come and go
And all I do is think of you
I'm on the long road home
The road that leads me straight to you I know it's hard
I promise you we'll be alright
And through this all [Chorus]
