I Don't Care

Leroy

You drown yourself in your alcohol
Not a pretty sight to see
It's last call and your going home
With old good enough for me

Every night it's the same bad dream
That keeps coming true
But I wouldn't change a thing
Cuz it's just not you

So I don't care about who, what ,when or where
Cuz in the end were all the same
So I just don't care

In the morning they only
Left a faded memory
The light s are on but there's no one home
So who was that laying with me

Every night it's the same bad dream
That keeps coming true
But I wouldn't change a thing
Cuz it's just not you

So I don't care about who, what ,when or where
Cuz in the end were all the same
So I just don't care"
