

# Domestic, Light And Cold

## Dierks Bentley

Hey bartender, can I make one special request?

My woman left me so tonight I'll be drinkin' your best  
I'm not talkin' about Single Malt, Scotch, Jagermeister or  
Cuervo Gold

I'll take anything domestic, light and cold  
Domestic, light and cold, that's what I'm havin'

Serve me up any old iced down American classic  
Pop a top, crack a can, just don't make me wait too long

I'll take anything domestic, light and cold  
No, I wasn't cheatin', she just said that I was hard to please  
And I'll admit it, that I can be set in my country ways  
So go ahead and break out the good stuff, if I can be so  
bold

I'll take anything domestic, light and cold  
Domestic, light and cold, that's what I'm havin'

Serve me up any old iced down American classic  
Pop a top, crack a can, just don't make me wait too long

I'll take anything domestic, light and cold  
You've got beer from all over the world on the wall

I can even get a free T-shirt if I try them all

But tonight I'm in the mood for some of that home grown booze  
Yeah, pop a top, crack a can, just don't make  
me wait too long

I'll take anything domestic, hey I know what the best is

Anything domestic, light and cold  
Bartender, I'll take anything domestic, light and cold, over here

Well, hello over there, that's something domestic, light and hot

Daddy likey, hi there, you, you like country music?

Oh, yeah, dude, we can't say daddy likey, can we?
