

# Weak Man (feat. Anthony Green and Dave Davison)

## Good Old War

Let the music  
breathe upon my face  
every step of the way  
through the anguish I make  
Like the rest I made  
I'm seeing you as clear and blue  
like lovers do  
and you should too I'm not playing a game with you  
to show that I can get ahead  
Just like any weak man would do  
when he's losing When life's confusing way to bring you down  
has got you pissing yourself  
while you're thinking out loud  
Try and figure out  
the best approach to being true  
like lovers do  
and you should, you should too I'm not playing a game with you  
to show that I can get ahead  
Just like any weak man would do  
when he's losing You can't just give it all away  
This is all we have saved  
There is nothing here between us  
This is not what we had planned  
There is so much more  
Got nothing without each other  
We've got nothing I'm not playing a game with you  
to show that I can get ahead  
Just like any weak man would do  
when he's losing...
