

Baby, Get Lost

B.B. King

Good mornin' baby,
Baby, welcome back to town
Oh, oh, oh, oh, good mornin', good mornin', baby
Baby, welcome back to town
Yeah, you doin' so much travelin' woman
Oh, I'd never know when you're gonna be around Yeah, you are fine and mellow
Baby, but you stubborn as a mule
You love me like an angel, baby
But you treat me like a fool
Two faced woman
Don't you hand me no double cross Well, because anytime I'm ready, woman
Well, I can tell you, I can tell you, Baby, get lost "You cheatin' on the outside
You're doin' ev'rything you chose
You better come back on the inside, woman
'Cause you got too much to lose
I don't want no trouble with you, baby
I wanna tell you I've got to be the boss Yeah, because anytime I'm ready, baby
Ooh, I can tell you, I can tell you, "Baby, get lost" Yes, I'll try to stop your cheatin' woman
But I just don't have the time
I got so many woman, baby
'Till they're standing in line
I wanna tell you, baby
Yeah, you know I've got to be the boss, all right Well, because anytime I'm ready, baby
I can tell you, "Baby, get lost"
