Good Enough

Izzy Stradlin

Good enough for someday
Good enough for me
Good enough for someone
Good enough ya seeBeen lookin for the words ta tell ya what I'd say
I'd have to make them up
and write them down todayGood enough forever
Good until my grave
Good enough for after
Good enough ta save
The nerves are damaged from the blinking
of the strobe, and I'm not one to question
what he done it forGood enough for something
Good enough for me
Good enough for someone
Good enough ya see
I'm done lookin for the words to tell ya what I'd say
I'd have ta make them up and write them today
Write them down to play
Write them down to sayGood enough for me
