Malibu, that's casual

Got the Michael Duke

Fit you with grab the tool

I'm with them animals

It's a real nigga, annual

Your hoe on automatic, put her on manual

She can't handle me, handle me and Betty Boop

You're lookin' for me, I'm on Saks Fifth Avenue

I just went and bought me some flashbangs

You can disappear, disrespectin' that gang

Travel Gold, ratata

You talkin' rarara

She got more mileage than a car-haha
And she just pull up to the spot Miley Cyrus, catchin' bodies
Don't care, that pussy got some mileage, mileage
Don't care, your pussy got some mileage, mileage
Don't care, your pussy got some mileage, mileage
Miley Cyrus, catchin' bodies
Don't care, your pussy got some mileage, mileage
Don't care, that pussy got some mileage, mileage
Don't care, your pussy got some mileage, mileage
