You now you is meh lover
But yuh quarreling de whole night
Like yuh mouth have no cover

Why yuh gettin on so with me, guyl?

So doh hot up yuh head
If ah goin a llime

With a little wine

Promise I eh goh mash up de ting
And cause you no pain, gyal

Ah say gyal, loosen up de chain

Look at bam bam all over, over
But ah not gonna leave yuh, leave yuh
Meh hand to meh side like ah preecher, preacher
And ah just wah yuh remember, 'membra
Oh girllll

Even if ah chook on a bumsee
Gawwwd, ah tellin yuh dat is temporary

So doh beat up yuhself if ah goin a lime
Cyah replace wifey with ah little wine
Proise I eh goh f' up de ting
And cause you no pain, gyal
Loosen up de chain

Gyal doh make me shaaaame
Gyal yuh get on so
Yuh doh have nothing to fraiiid

Even if ah take ah little wine
All dem bam bam eh mine
Ah just explorin in meh mind
Ah say gyal
