Costume Party

Two Door Cinema Club

You're too young, you're never gonna know why it hit me
When I felt down in silence
No one thinks what I'm doing is the right way forward
You'll see it's not just a dream nowYou think you know, you don't know
You think you know, you don't know
You think you know, you don't know
You think you know, you don't knowYou're too young, you're never gonna know why it hit me
When I felt down in silence
No one thinks what I'm doing is the right way forward
You'll see it's not just a dream nowYou think you know, you don't know
You think you know, you don't know
You think you know, you don't know
You think you know, you don'tKnow oh, oh, oh
Know oh, oh, oh
Know oh, oh, oh
Know oh, oh, ohIt's what you get when you try to educate a black sheep
You can't, you won't, you never will
I'm gonna show you what it takes to see the future
It's hard but not impossibleYou think you know, you don't know
You think you know, you don't know
You think you know, you don't know
You think you know, you don'tKnow oh, oh, oh
Know oh, oh, oh
Know oh, oh, oh
Know oh, oh, ohYou think you know, oh, oh, oh
Know, oh, oh, oh
Know, oh, oh, oh
Know, ohOh oh, oh oh
Oh oh, oh ohAnd I believe this costume party is over
Before it gets started
And I believe this costume party is overAnd I believe this costume party is over
Before it gets started
And I believe this costume party is over, over, over
