

# Costume Party

## Two Door Cinema Club

You're too young, you're never gonna know why it hit me  
When I felt down in silence  
No one thinks what I'm doing is the right way forward  
You'll see it's not just a dream now You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't know You're too young, you're never gonna know why it hit me  
When I felt down in silence  
No one thinks what I'm doing is the right way forward  
You'll see it's not just a dream now You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't Know oh, oh, oh  
Know oh, oh, oh  
Know oh, oh, oh  
Know oh, oh, oh It's what you get when you try to educate a black sheep  
You can't, you won't, you never will  
I'm gonna show you what it takes to see the future  
It's hard but not impossible You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't Know oh, oh, oh  
Know oh, oh, oh  
Know oh, oh, oh  
Know oh, oh, oh You think you know, oh, oh, oh  
Know, oh, oh, oh  
Know, oh, oh, oh  
Know, oh Oh oh, oh oh  
Oh oh, oh oh And I believe this costume party is over  
Before it gets started  
And I believe this costume party is over And I believe this costume party is over  
Before it gets started  
And I believe this costume party is over, over, over
