I Ain't Tryna'

KeAnthony

I ain't tryna walk into an empty house
And end up on the couch by myself, no
And I ain't tryna be staring at the TV feeling hungry
With no home cooked mealAnd I ain't tryna be calling your name wondering where you at
'Cause I know that you ain't upstairs
I ain't tryna be wrecking my brain
Going back and forth thinking 'bout how I gotta changeThis ain't no game 'cause I ain't playing girl
It's you and me girl, that's how we be girl
And I'm gone change
And I'm for real girl, can't do without ya girl
'Cause baby you're my worldI ain't tryna be without you
And I don't care what I gotta do
Girl I'll do anything and I'll go anywhere
'Cause ain't nothing working without you babyI ain't tryna be without you
And I ain't tryna be the one who's making you unhappy
'Cause if you're unhappy then I know
I ain't tryin' hard enough, gotta try harder for youI ain't tryna be all out in the street
Or up in the club sipping on patrone with my flirt on
And I ain't tryna be sneaking home, wondering what to say
When you ask why I smell like fresh soapAnd I ain't tryna be lying and hiding the truth, deceiving you
That's that old shit I used to do
And I ain't tryna be scared of my own cell phone no more
I don't wanna piss you offThis ain't no game 'cause I ain't playing girl
It's you and me girl, that's how we be girl
And I'm gone change
And I'm for real girl, can't do without ya girl
Baby you're my worldI ain't tryna be without you
I don't care what I gotta do
Girl I'll do anything and I'll go anywhere
'Cause ain't nothing working without you babyI ain't tryna be without you
And I ain't tryna be the one who's making you unhappy
'Cause if you're unhappy then I know
I ain't tryin' hard enough, gotta try harder for youIf I don't get it right the first time
Baby please believe me I will try it again
And I don't care if it takes me a lifetime
I swear to God I will try to the endAs long as I'm on earth, I'm gonna keep my word
Girl, I'll do whatever it takes
To prove to you that I'm a changed man
Did some foul shit but I won't do it againI ain't tryna be without you

I don't care what I gotta do
Girl, I'll do anything and I'll go anywhere
'Cause ain't nothing working without you babyI ain't tryna be without you
And I ain't tryna be the one who's making you unhappy
'Cause if you're unhappy then I know
I ain't tryin' hard enough, gotta try harder for youGotta do better girl, I'ma be trying, keep trying
Gotta do better girl, I'ma be trying, keep trying
Gotta do better girl, I'ma be trying, keep trying
Gotta keep trying, gotta keep trying, babeGotta do better girl, I'ma be trying, keep trying
Gotta do better girl, I'ma be trying, keep trying
Gotta do better girl, I'ma be trying, keep trying
