

# We're An American Band

**Rob Zombie**

On the road for forty days  
Last night in Little Rock put me in a haze  
Sweet, sweet Connie - doin' her act  
She had the whole show and that's a natural fact  
Up all night with Kerry King  
I got to tell you poker's his thing  
A-booze 'n ladies keep me right  
As long as we can make it to the show tonight We're an American band  
We're an American band  
We're coming to your town, we'll help you party it down  
We're an American band Four young chaquitas in Omaha  
Was waitin' for the band to return from the show  
Feelin' good, feelin' right, it's Saturday night  
The hotel detective - he was out-a-sight  
Now, these fine ladies, they had a plan  
They was out to meet the boys in the band  
They said, "Come on, dudes, let's get it on  
And we proceeded to tear that hotel down We're an American band  
We're an American band  
We're coming to your town, we'll help you party it down  
We're an American band We're an American band  
We're an American band  
We're coming to your town, we'll help you party it down  
We're an American band We're an American band, Ooo-ooo  
We're an American band, Ooo-ooo  
We're coming to your town, we'll help you party it down  
We're an American band
