

Conviction of the Heart

Kenny Loggins

On which the earth raise the sky
On which every thing in life Where are the dreams that we once had?
This is the time to bring them back
What were the promises
Caught on the tips of our tongues? Do we forget or forgive?
There's a whole other life
Waiting to live when
One day we're brave enough
To talk with conviction of the heart And down your streets I've walked alone
As if my feet were not my own
Such is the path I chose
Doors I have opened and closed I'm tired of living this life
Fooling myself, believing we're right when
I've never given love
With any conviction of the heart One with the earth, with the sky
One with everything in life
I believe we'll survive
If we only try How long must we all wait to change?
This world bound in chains that we live in
To know what it is to forgive
And be forg-i-i-iven Too many years of taking now
Isn't it time to stop somehow?
Air that's too angry to breathe
Water our children can't drink You've heard it hundreds of times
Say you're aware, believe and you care
But do you care enough?
Where's your conviction of the heart? Ohh
One with the earth, with the sky
One with everything in life
I believe it will start
With conviction of the heart With the earth, with the sky
One with everything in life
I believe it will start
With conviction of the heart One earth, one sky
Only one world Only one chance, for one life
When will we live?
(With conviction of the heart) One child, one dream, the only one life
(One with the earth, with the sky)
You got one chance for one life

(I believe it will start)
When will we live?
(With conviction of the heart)
Only one earth, only one sky
(One with the earth, with the sky)
Only one world
(One with everything in life)
We've only got one chance to live in one life
I believe
(I believe)
It's only gonna start when we begin with some conviction of the heart
(It will start with conviction of the heart)
