

# Not Ready Yet

## Eels

There's a world outside  
And I know 'cause I've heard talk  
In my sweetest dream  
I would go out for a walk But I don't think I'm ready yet  
I'm not feeling up to it now  
Just not that steady yet  
And I don't need you telling me how There's some happiness  
And my stone face cracks again  
Maybe sometime sooner or later But I don't think I'm ready yet  
I'm not feeling up to it now  
Just not that steady yet  
And I don't need you telling me how So if I leave my room  
Don't you tell me to lighten up  
Maybe sometime sooner or later But I don't think I'm ready yet  
I'm not feeling up to it now  
Just not that steady yet  
And I don't need you telling me how I don't need you telling me how  
I don't need you telling me how  
I don't need you telling me how
