Greasy John Deere Cap

Tim Hicks

Stand up shake the hand
That drives the truck and works the land
Give a shout out to the man in the greasy John Deere capGot eighteen wheels of chrome and steel
Got a wife and a kid and a house in the middle of a corn fieldGot a long weekend
Old deer stand
With a son and a gun
And you'll get it when you take it from his dead handsStand up shake the hand
That drives the truck and works the land
Give a shout out to the man
In the greasy John Deere cap
Get down on your knees
Thank the Lord for this country
Built by the guy underneath
That greasy John Deere capChew that chaw
Get a spit cup y'all
Got his woman close, Bud Light cold
And his Monday Night RAWHe likes The Bama Band
He's a ramblin' man
He's been heard yelling out Freebird
With a lighter in his handStand up shake the hand
That drives the truck and works the land
Give a shout out to the man in the greasy John Deere cap
Woah
He's every man
He's a Canadian
God and country that's where he makes his standStand up shake the hand
That drives the truck and works the land
Give a shout out to the man
In the greasy John Deere cap
Get down on your knees
Thank the Lord for this country
Built by the guy underneath
That greasy John Deere cap
