

Qudsi Khare Hain

Aqsa Abdul Haq

Salle ala nabiyyena salle ala muhammadin

Kudsi khade hai hairan hoke
Ke sidra se aage bashar ja raha hai
Vo ban than ke apne khaliq se milnay
Saray arsh Vo taaj var jaa raha hai

Kudsi khade hai hairan hoke
Salle ala nabiyyena salle ala muhammadin

Ke jaata hai dekho vo be khof kese
Ke sab janta hai rahain vo jese
Vo yu ja raha hai jese ho koi
Ghar vala apne hi ghar jaa raha hai

Kudsi khade hai hairan hoke
Salle ala nabiyyena salle ala muhammadin

Vo kissa halima ke angan ka puchho
Jawani ka chhodo bachpan ka puchho
Abhi Mustafa ne uthai hai ungli
Qamar se ye puchho kidhar jaa raha hai

Kudsi khade hai hairan hoke
Salle ala nabiyyena salle ala muhammadin

Aqsa me jitne bhi mursal khade the
Hairat me sare ke sare pade the
Ham iske pichhe ye kya pad rahe hai
Namaze vo lainy agar jaa raha hai

Kudsi khade hai hairan hoke
Salle ala nabiyyena salle ala muhammadin

Kaha tu hai shakir kaha teri naatein
Kaha apni zaatein kaha unki baatein
Ye kyu keh rahe ho bashar jaa raha hai
Hakikat me khairul bashar jaa raha hai

Kudsi khade hai hairan hoke

Salle ala nabiyyena salle ala muhammadin
