

Never Let You Go (feat Ryan Tedder)

B.o.B

They can take these clothes off my back
They can take my money
Don't care about that
They can't take my words
It's all I've got
They can have this fame
It ain't worth a lot
Only thing I know, is I'll never let you go
As she takes the stand
By the look in her eyes I can tell that's she knows
That she's holding the faith of my world in her hands
Yeah, fo' real
This was never the plan
It was never intended for her to end up the defendant
And I guess it just happened by chance
Damn, and you hope
You hopin' that a miracle happens
You pray that the judge doesn't bang that gavel
Just so you can go back and avoid a disaster
And you could still be holding her hand
Like the last note of the saddest song
We're like the last word at the end of the poem
You know, sometimes wanna be here alone
It's funny how you never know what you got 'til it's gone
They can take these clothes off my back
They can take my money
Don't care about that (No)
They can't take my words (Take my words)
It's all I've got
They can have this fame
It ain't worth a lot
Only thing I know, is I'll never let you go
Won't let you go
No, never gonna let you go
Won't let you go
No, never gonna let you go
Won't let you go
No, never gonna let you go
Won't let you go
No, never gonna let you go
What's the one thing in this life that you live for?
Who do you know in the world you would die for?
Who would lie for?

No, never gonna let you go
Won't let you go
Never gonna let you go
