

She Like

Chief Keef

[Intro]

Smoking on this...

She like, she like (say she like my coat)

She like, she like (smoking on this dope)

She like, she like, she like (she say she like my coat)

She like (polar bear, smoking on this dope)

She like (she came up over here, say she like my coat)

I was icy as a polar bear

I was icy as a polar bear (polar bear)[Hook]

I was icy as a polar bear, smoking on this dope

Shawty came up over here, she say she like my coat

She like my swag

She like my jewels, she like my bag

She like

Driving real fast, she like

She like

Ride me like a bike, she like[Verse 1]

Cuz my watch so fucking icy

And I pulled up flexing

I don't fuck with nobody

Naw bitch, cuz I don't trust nobody

In that motherfucker, big body

20 thousand dollar car, bitch, not a Bugatti

I do this shit for my mammy

Should always be strapped in the party[Hook]

I was icy as a polar bear, smoking on this dope

Shawty came up over here, she say she like my coat

She like my swag

She like my jewels, she like my bag

She like

Driving real fast, she like

She like

Ride me like a bike, she like[Verse 2]

She ride me like a Ducati cuz I'm in a new body

Bitch I'ma somebody, bitch you is a whobody

Lil shawty got a deuce deuce and it got two bodies

I'm in a mansion, bitch, so I can't have no roof party

Got a million dollar meeting and it's at 2:30

I just get clean money and do these niggas too dirty

Used to get that fake money, swear that shit was too dirty
Pistol got the fucking beam in it, please don't make get 'em too dirty[Hook]

I was icy as a polar bear, smoking on this dope
Shawty came up over here, she say she like my coat

She like my swag

She like my jewels, she like my bag

She like

Driving real fast, she like

She like

Ride me like a bike, she like
