

# Gray Summer Day

## Lucky 7

Another summer day turns gray and I don't know what to do.  
Searching for just anyway to turn my skies to blue.  
Sitting in my room.  
One more sleepless night.  
Glued to the sound of a song that pulls me away just to live through another day.  
Will the stars once shine for me and feed my starving eyes.  
I drowning in my own dark sea of all the tears I've cried.  
Laying in my bed.  
One more sleepless night.  
Glued to the sound of a song that pulls me away just to live through another day.  
Gray summer day won't leave me alone.  
If I can even dream why bother.  
To hold my breath when the clouds won't move on.  
Gray summer day won't leave me alone.
