

# Silhouette Of A Dancer

## Delain

My skin still burns  
All the places you've touched  
So aware  
Leave no place for hiding  
Not last night, not this time I close my eyes so the world can't see me  
And draw the silhouette of a dancer in my head  
I can't look through your eyes, but my mind betrays mine  
Should I starve unmarked or confess to my blindness My eyes still hurt  
Fighting, chasing, chasing lights  
As they form  
Silhouettes behind me  
Let them go, this time Waiting for a change  
I can't fight these chains everyday  
I bleed to avoid the pain  
Everyday I fade a little more I close my eyes so the world can't see me  
And draw the silhouette of a dancer in my head  
I can't look through your eyes, but my mind betrays mine  
Should I starve unmarked or confess to my blindness
