I Feel Beautiful

Fantasia

Nothin' I ever did was good enough for you
Nothin' I ever did could ever seem to please you
You always tried to make me feel small
And all I did was give you my heartNever felt pretty enough
Never felt sexy enough, never felt good enough
You tried to keep me down on my knees
I got myself back up on my feet
Found the strength to set myself freeAnd I feel beautiful, beautiful, I feel beautiful, beautiful
You could not crush my soul, crush my soul
Nothing you can do to make you take away my right to feel
Beautiful, beautiful, I was down so low, down so low
But I wont be, wont be brought down anymore
I stand with my head held high, I feel beautifulUse to make me feel like I did nothing right
Use to make me feel like I meant nothing in your life
Always gave all I had to you
And all I wanted was for you tooSee me as pretty enough
See me as sexy enough, see me as good enough
But all I did was waste all my time
I woke up and open my eyes
I finally took back hold of my lifeAnd I feel beautiful, beautiful, I feel beautiful, beautiful
You could not crush my soul, crush my soul
Nothing you can do to make you take away my right to feel
Beautiful, beautiful, I was down so low, down so low
But I wont be, wont be brought down anymore
I stand with my head held high, I feel beautifulYou tried to make me feel worthless
Now I know Im not, my worth is priceless
I got back my pride, I took back my lifeAnd I feel beautiful, beautiful, I feel beautiful, beautiful
You could not crush my soul, crush my soul
Nothing you can do to make you take away my right to feel
Beautiful, beautiful, I was down so low, down so low
But I wont be, wont be brought down anymore
I stand with my head held high, I feel beautifulOh, I feel beautiful, hey
Nothing you can say to me 'cause I feel beautiful
