Deep End (2013) [www.RnB4U.in]

Jay Sean

Mmm mmm mm mm
Oh yeah
Baby babyI ease the pain
Could see us in our holy faith
But one day we changed I
Dreamed from big in a face
I'm already so tired to carry water open for the other side
Me I don't know but every time I look up I'm waiting for the sky to cryMaybe be like water falling down from heaven's high
Until we start a wave ow now then make the oceans rise
Cause I don't wanna waste another moment swimming in the shadow wave
So now it's time for you and I to take another wave
Before we dive into the deep end deep end
Before we dive into the deep end deep end
Before we dive into the deepI wanna learn to live and stop panicking
I don't want us sit like 2 mannequins
I'm already so tired to carry water open for the other side
Me I don't know but every time I look up I'm waiting for the sky to cry
Why can't we justMaybe be like water falling down from heaven's high
Until we start a wave ow now then make the oceans rise
'Cause I don't wanna I don't wanna
'Cause I don't wanna spend another moment swimming in the shadow wave
So now it's time for you and I to take another wave
Before we dive into the deep end deep end
Before we dive into the deep end deep end
Before we dive into the deepBreathing breathing
Breathing breathing
Breathing breathing
Before we dive into the deep end
Breathing breathing
Breathing breathing
Breathing breathingBe like water falling down from heaven's high (heaven's high heaven's high)
Until we start a wave ow now then make the oceans rise
'Cause I don't wanna I don't wanna
'Cause I don't wanna spend another moment swimming in the shadow wave
So now it's time for you and I to take another wave
Before we dive into the deep end deep end
Before we dive into the deep end deep end

Before we dive into the deep
