

If It's Love (feat. Chris Carmack)

Nashville Cast

What is called when all that you want
is to be around somebody.
They say that you fall but i don't know. Feels a little more like flying.
Cause even when i'm close to you, it aint close enough. Each and every kiss ain't long enough.
I can't explain what my heart does.Oh oh oh
I don't care what we call it.
Oh oh oh
As long as I can live in this moment.
Oh oh oh
This feeling, no, I can't fight it.
Baby, no I can't lie.
If it's love, then I think I like it.
Love, then I think I like it.So what can I say?
The way that you move is doing all the talking.
It's a matter of time before you and I
Cross this line we're walkingCause even when I'm close to you, it ain't close enough.
Each and every kiss ain't long enough.
And i wonder what's gotten into us.Oh oh oh
I don't care what we call it.
Oh oh oh
As long as I can stay in this moment.
Oh oh oh
This feeling, no, I can't fight it.
Baby, no, I can't lie.
If it's love then I think I like it
Love then I think I like it.Oh oh oh
I don't care what we call it.
Oh oh oh
As long as I can stay in this moment.
Oh oh oh
This feeling, no, I can't fight it.
Baby, no, I can't lie.
If it's love, then I think I like it.
Love then I like it.
Love then I think I like it.
