

# In It For Love

Richie Sambora

Life is a road  
Forever winding where it leads us  
I don't know  
In it together for better or worse  
Searching for our pal of goldTime leaves a trail  
Of broken hearts  
So many arrows  
Just keep missing their mark  
Baby, that ain't usNothing else matters  
When you're in it for love  
Together we can only go higher  
You can reach any rainbow  
You're dreaming ofNothing else matters at all  
When you're in it for love, baby  
Yeah, we'll share in the laughter  
Share in the tears  
And the promises we keepLife can be crazy  
Love can be cruel  
But it's always been  
A two way streetYou try and give it  
All you have to give  
So many people  
Don't know how to forgive  
Baby, that ain't usNothing else matters  
When you're in it for love  
Together we can only go higher  
You can reach any rainbow  
You're dreaming of  
Nothing else matters at all  
When you're in it for love, babyYou try and give it  
All you have to give  
So many people  
Don't know how to forgive  
Baby, that ain't usNothing else matters  
When you're in it for love  
Together we can only go higher  
You can reach any rainbow  
You're dreaming ofNothing else matters at all  
When you're in it for love, baby

When you're in it for love, baby  
In it for love When you're in it for love, baby  
When you're in it for love, baby  
When you're in it for love, baby  
In it for love
