The Boy Next Door

Stacey Kent

Dear Stevie,
I just wanted to let you know,
That I've been thinking about ya lately.
And since you've been gone,
I wanna let you know,
That I miss you boy, I miss you boy.
Well it's been 3 weeks since you went away,
It might sound crazy but I count the days.
I miss the little things that we used to do,
And those are the things that I liked about you.
And now you're gone I don't know what to do.
You never knew I had a crush on you.
I miss you boy, I miss you boy

Well I wake up in the morning and get ready for school,
Combin' my hair, trying to look cool.
But I looked in the mirror and I said to myself,
Why'd you have to leave me all by myself?
I know you didn't know it never said it before,
But I had a crush on the boy next door.
I miss you boy, I miss you boy

[CHORUS]
I had a crush on the boy next door and now hes gone
Shoulda told him before but its never too late to be my friend
Maybe someday I'll see you again and I wanna tell you from my heart
I know what it's like to be apart
I miss you boy (I miss ya boy) I miss you boy (I miss ya boy!)

Well as time goes on its easy to see,
That you were the one the one for me.
I don't know how to say it you know its true,
Cuz all I do is think about you.
Cuz you're on my mind every minute of the day,
And now its time to you hear me say
I miss you boy I miss you boy

Well the summer times coming,
I wanna see you again.
I hope you come back,

And be my best friend.
Now i hope in my heart that this dream'll come true,
Cuz without you its like a roomin of you
I want you to know, I never felt this before but I miss you.
Love, the girl next door
I miss you boy, I miss you boy

[CHORUS X3]
[ring ring]
'Hey, this is Briana leave a message at the tone!'
Hey Bree this is Stevie.
Sorry I didn't get to say goodbye,
But i hope you get this message,
Cuz I miss ya so much
I know you're far away,
But we can still keep in touch
I know you never knew I never said it before
I got a crush on you the girl next door
I miss ya girl...I miss ya girl

[CHORUS TO FADE]
