

# The Boy Next Door

Stacey Kent

Dear Stevie,  
I just wanted to let you know,  
That I've been thinking about ya lately.  
And since you've been gone,  
I wanna let you know,  
That I miss you boy, I miss you boy.  
Well it's been 3 weeks since you went away,  
It might sound crazy but I count the days.  
I miss the little things that we used to do,  
And those are the things that I liked about you.  
And now you're gone I don't know what to do.  
You never knew I had a crush on you.  
I miss you boy, I miss you boy

Well I wake up in the morning and get ready for school,  
Combin' my hair, trying to look cool.  
But I looked in the mirror and I said to myself,  
Why'd you have to leave me all by myself?  
I know you didn't know it never said it before,  
But I had a crush on the boy next door.  
I miss you boy, I miss you boy

[CHORUS]

I had a crush on the boy next door and now hes gone  
Shoulda told him before but its never too late to be my friend  
Maybe someday I'll see you again and I wanna tell you from my heart  
I know what it's like to be apart  
I miss you boy (I miss ya boy) I miss you boy (I miss ya boy!)

Well as time goes on its easy to see,  
That you were the one the one for me.  
I don't know how to say it you know its true,  
Cuz all I do is think about you.  
Cuz you're on my mind every minute of the day,  
And now its time to you hear me say  
I miss you boy I miss you boy

Well the summer times coming,  
I wanna see you again.  
I hope you come back,

And be my best friend.  
Now i hope in my heart that this dream'll come true,  
Cuz without you its like a roomin of you  
I want you to know, I never felt this before but I miss you.  
Love, the girl next door  
I miss you boy, I miss you boy

[CHORUS X3]

[ring ring]

'Hey, this is Briana leave a message at the tone!'  
Hey Bree this is Stevie.  
Sorry I didn't get to say goodbye,  
But i hope you get this message,  
Cuz I miss ya so much  
I know you're far away,  
But we can still keep in touch  
I know you never knew I never said it before  
I got a crush on you the girl next door  
I miss ya girl...I miss ya girl

[CHORUS TO FADE]
