

Ease My Mind (feat. Niki & The Dove) [PREVIEW]

[Skrillex](#)

In a deep sleep
Awakened, by the dragons
Kept you hidden, here with me
Was not prepared, for a dead end Take me, take me downtown
Tonight, I want to forget
I want lights to, blind me
I want peace, want to disappear (To disappear) Oh DJ, ease my mind will you
Play that song again, 'cause we were in love
Before, before the rain began
And if I cry-y, cover my ears Oh DJ Oh Play that song again, 'cause we were in love oh Pla-pla-pla-play that
song again, cause we were in love Take me, take me downtown
Tonight, I want to forget
I want lights to, blind me
I want peace, want to disappear Oh DJ, ease my mind will you
Play that song again, 'cause we were in love
Before, before the rain began
And if I cry-y, cover my ears Oh DJ Oh DJ Pla-pla-pla-pla-play that song again, 'cause we were in love Oh DJ
Ease my mind, will you?
Play that song again
'Cause we were in love (DJ) Oh DJ
