

# Back (With Jake Owen)

## Colt Ford

Yeah back  
When life was simple as that  
I didn't know I'd miss it so bad  
When this whole world had way less worries, nobody in a hurry and back  
To mama's home cookin' and dad  
Was baitin' my hook and I'm sitting on a tailgate,  
Thinking 'bout those days just  
Wish I was

BackWhen I think about how it used to be, Lord it was so simple then  
Dirt-bike and a fishin' pole at a fishin' hole with all my friends  
Nothin' better than a BB gun in my backyard just huntin' squirrels  
Took a ring from my mama's drawer and gave it to this little girl  
Her mama called mine and then my daddy had to have a talk  
I remember like yesterday what he said when we took that walk  
"Son don't you ever tell no lie, even if the truth burns"  
Everyday my mind goes back to all those lessons learned  
And I wanna goBack

When life was simple as that  
I didn't know I'd miss it so bad  
When this whole world had way less worries, nobody in a hurry and back  
To mama's home cookin' and dad  
Was baitin' my hook and I'm sitting on a tailgate,  
Thinking 'bout those days just  
Wish I was

BackI remember that Texaco that Mr. Logan used to own  
They turned it into something else and Mr. Logan's long gone  
My best friend David, he grew up ridin' in that wheelchair  
Thought I'd give a million bucks if that old boy was still here  
Ain't it funny how time goes by and memories seem to fade away  
They built a parking lot on the baseball field we used to play  
That skating rink is closed down, but now I see us back again  
I remember those all night skates, very first dates and my old friendBack

When life was simple as that  
I didn't know I'd miss it so bad  
When this whole world had way less worries, nobody in a hurry and back  
To mama's home cookin' and dad  
Was baitin' my hook and I'm sitting on a tailgate,  
Thinking 'bout those days just  
Wish I was

Back My dad's gettin' older now but son he's still as tough as ever  
Him and my little boy are best friends now, wish it could last forever  
My mama is still the one I talk to when I need advice  
She never ever let me down  
God what will I do when she's not around Back  
When life was simple as that  
I didn't know I'd miss it so bad  
When this whole world had way less worries, nobody in a hurry and back  
To mama's home cookin' and dad  
Was baitin' my hook and I'm sitting on a tailgate,  
Thinking 'bout those days just  
Wish I was  
Back When life was simple as that  
I didn't know I'd miss it so bad  
When this whole world had way less worries, nobody in a hurry and back  
To mama's home cookin' and dad
