Goodbye

CircusP

When I was little
I was taught that the world wasn't my storyÂ
All the tears I will cryÂ
Wouldn't even make up a seaÂ

Tell me how I'll be foundÂ
Let it be knownÂ
Tell me who will become stillÂ
When I am shownÂ

And I'll be forgotten in timeÂ no matterÂ how hard I tryÂ
I'll be a wasted lifeÂ
So this is my goodbyeÂ
Wake me when IÂ have the courage to dieÂ
Cause I'm too scared to try
I am a wasted lifeÂ
So this is my goodbyeÂ

I never wanted fameÂ
Cause when we are dead it's all the sameÂ
Human mortality is a test on our memoryÂ

Let me know when I'll goÂ
Will I be lovedÂ
Will someone care I'm not thereÂ
Am I enoughÂ

And I'll be forgotten in timeÂ no matter how hard I tryÂ
I'll be a wasted lifeÂ
So this is my goodbyeÂ
Wake me when IÂ have the courage to dieÂ
Cause I'm too scared to tryÂ
I am a wasted lifeÂ
So this is my goodbyeÂ

So this is my goodbyeÂ

I'll stop hoping
Stop wishingÂ
Stop singing

Stop livingÂ
Stop, I'll stopÂ
I'll stop moving
Stop breathingÂ
Stop thinking
Stop livingÂ
Stop, Just stopÂ

And I'll be forgotten in timeÂ no matter how hard I tryÂ
I'll be a wasted lifeÂ
So this is my goodbyeÂ
Wake me when IÂ have the courage to dieÂ
Cause I'm too scared to tryÂ
I am a wasted lifeÂ
So this is my goodbye
