The No No Song

The Sounds

Excuses is all I ever get from you
And we both know it's true
It's not me, it is you

And nothing matters at all
It felt so right at the time
But we lost it all
You committed a crime

And did it matter to you
When it felt so right
Now you lost it all
Well, you're not so bright

No, no, no, no, no no,
You don't have to say you're sorry
No, no, no, no, no no,
You never mean it when you're sorry
No, no, no, no, no no,
You don't have to say
No guts, no glory, no time to worry
No happy ending to your story

In moments like this, don't give a fuck about you
Cause I've had enough, it's not me, it is you

And nothing matters at all
It felt so right at the time
But then we lost it all
And I'm not surprised

No, no, no, no, no no,
You don't have to say you're sorry
No, no, no, no, no no,
You never mean it when you're sorry
No, no, no, no, no no,
You don't have to say
No guts, no glory, no time to worry
No happy ending to your story

No, no, no, no, no no,
You're not ready to go
I'm turning this page
No, no, no, no, no no,
You're not ready to go

You're not ready
You're not ready to go

No, no, no, no, no no,
You don't have to say you're sorry
No, no, no, no, no no,
You never mean it when you're sorry
No, no, no, no, no no,
You don't have to say
No guts, no glory, no time to worry
No happy ending to your story

No, no, no, no, no no,
No happy ending to your story
No, no, no, no, no no,
No happy ending to your story (excuses is all I ever get from you)
No, no, no, no, no no,
No happy ending to your story (excuses is all I ever get from you)
