Gettin' blowed I got a rello twisted  
thicker than a rasta dread  
got me feelin' nicer  
than Homer neighbor Ned  
I got that bomb kush

and all my weed mans

Smokin' on some bangin' crip  
straight from south central  
I told her hit this  
and her head turned intellectual  
higher learnin'  
while I'm burnin'  
Presidential Bill Clinton  
and she slurpin'  
Stank in the air  
like a landfill  
This kush louder  
than a Flocka Flame adlib  
I smelled it thru the jar  
I was so in awe  
got it at the doctor's  
with the weed card

Experimental when it come  
to the medical  
Commander in Chief

Gettin' blowedFeelin' like the President

kushed out with Washington  
and Lincoln

We all kushed out on  
Montel medicine  
I'm smokin' on the type of weed  
that win awards

on the four hundred twentieth floor  
My weedman dude off

Military press  
Passenger four twenty

Smokin' so much kush  
like I got four lungs  
T.H.C releasing dopamines  
in high levels  
got me laughin' at everything  
like I'm Will Ferrell  
Lightin' up everywhere  
like it's legal  
lightin' up like it's Christmas  
Kris Kringle  
Smokin' on Barack  
while drikin' on Ciroc  
Got me fcked up
