Pretty Freak

leah andreone

Move for me
Dive in for me
Please pull all my stringsDrink from me
I'll nurse you
Whispers, speaking tonguesPicture perfect, pretty freak
My blindfold's tighter
Vision's tweakedI wouldn't mind being happy
I wouldn't mind being me
And in your arms I'd be happy
HappyPose for me, close to me
Make believe you're mine
Grasp my neck
I'll hold my breath, tighter, tighter
Feel me flyin', let go, let goPicture perfect, pretty freak
My blindfold's tighter
Vision's tweakedI wouldn't mind being happy
I wouldn't mind being me
And in your arms, I'd be happy
HappyYou can take my paranoia
You can take away my name
Moisture drips
My seizure passes
You're still the sameIntrigue me, derange me
Deprive me, then give up
Just give in
Please give in
Self-indulge in selfless lovePicture perfect, pretty freak
My blindfold's tighter
Vision's tweaked
Picture perfect, pretty freakI wouldn't mind being happy
I wouldn't mind being me
And in your arms, I'd be happy
Happy
I'd be happy
